Community Concern

A spot in the Hazard area that should be a snowplace as far as the Perry County Cleanup Campaign is concerned is one of the eyesores that will have to be taken care of in the drive. The Hazard Airport, located on the Combs Road, has a scene such as the one in this picture near its main building. All sights such as this in the county are being removed from public view in the very successful cleanup drive.

Cleanup Campaign Nets 449 Old Cars

Most of the fanfare that accompanied the kickoff of Perry County's cleanup drive has subsided but the real work is continuing with marked success, according to Mrs. Gene Combs, chairman of the committee pushing the campaign.

She reports that to date a total of 449 old cars have been removed from the roadsides by crews of unemployed fathers and vehicles from various state agencies, with an estimated 200 more carted off on the individual initiative of their owners.

The results are highly obvious along Highway 28 toward Buckhorn, Route 15 from the Breathitt County line, and portions of Route 80 from the Knott County line to the Leslie County line.

This particular phase of the operation has drawn considerable public attention, particularly the method of operation, which extends an invitation to an owner of an old car to have his car removed free, and if he declines the invitation, to give him a 24 hour notice to remove it himself or else face a warrant for public littering.

The State Department of Public Information drew up a statewide news release describing Perry County's success in getting rid of its old cars, and distributed the release to newspapers and radio stations all over Kentucky.

Other Eastern Kentucky counties are now following Perry's lead in similar efforts.

Other phases of Perry Coun-

ty's drive are also making progress, Mrs. Combs said. Permanent garbage dumps available to the public have been established at Buckhorn, Middle Ridge on Grapevine, on the Harvey Road near the fire tower, at Vico, Leatherwood and Hazard's city dump, which is now available to county users.

Roadside litter collection is continuing. A total of 18 truck loads of trash were removed from the Hilton area alone loaded onto trucks by a lift.

Now that the public has been sufficiently notified of the cleanup drive, the Health Department will move soon to issue formal notices to property owners to either clean up their trash or else face legal prosecution, according to Sanitation Consultant Steve Sandlin.

The Perry County Garden Club is expected to soon name the first winners of citations for service stations who have shown the most improvement in beautification of premises. The Hazard Herald has offered a free ad to the winner of this citation each month.

The Club will also honor the drive-in restaurant and the in-

dividual lawn in the county showing the greatest interest in beautification of their premises.

At their recent convention, the Garden Clubs of Kentucky agreed to urge candidates in this year's elections to refrain from putting posters on trees, because of the littering and the resulting damage to the tree.

C. E. Beadles Dies Of Cancer

A former Hazard resident, Charles E. "Buddy" Beadles, 30, died Sunday, May 9, at the Louisville Memorial Hospital, of cancer. He was the son of William E. and Retta Beadles, 111 Lytle Boulevard, Hazard.

A 1954 graduate of Hazard High School, Mr. Beadles was a member of the football squad and a member of the band. He was also a member of the First Presbyterian Church of Hazard.

He is survived by his parents; his wife, Ardis; four children, Rhonda Lynn, 9, Kimberly Susan, 7, David Edward, 5, and Anita Rose, 3, all of Louisville; one sister, Mrs. Venice Mosley, 103 Hill Street, Hazard. Mr. Beadles was employed by a Louisville Insurance Firm until stricken about one year ago.

The body will lie-in-state at the Bohlsen Funeral Home in Louisville until the funeral Wednesday, May 12, at 10 a.m. Interment will be in the Eastern Cemetery in Louisville.

Hazard Lions Club Elects Officers At Meeting Thursday

At their regular meeting last Thursday at the V.F.W. Club, the Hazard Lions Club elected their officers for the coming year.

Chalmer Lindon was elected President; Dr. C. C. Rutledge, 1st Vice-President; Gaine Stidham, 2nd Vice-President; Walter Prater, 3rd Vice-President; Morgan Oze, Secretary; Ben F. Lutes, Treasurer; Rev. Charlie Cornett, Lion Tamer; John E. Bowling, Director 1965-66; R. G. Eversole, Director 1966-67; Chester Stevens, 1966-67; Gene Combs, Director 1966-67; and Wendell Combs, Tail Twister.

Recognition Banquet for Scouts Of Lonesome Pine Council May 6

At the thirty-first Annual Recognition Banquet for Scouters of the Lonesome Pine Council, Boy Scouts of America, Silver Beavers were awarded to Dr. Thomas McDonald, Scoutmaster of Troop No. 48, of the Grundy Lions Club for the Mountain Mission School, Grundy, Virginia; Chalmer Frazier, of Prestonsburg, Kentucky, Chairman of the council's Training Committee; and John Fischer, Vice President, Big Stone Gap, Virginia, at a dinner in Hazard on May 6—the Silver Beaver is the council's highest award.

The long and intensive records of these men covered most phases of the Scouting program for a combined total of more than 160 years.

Participating in the ceremonies were: F. B. Fowler, President; H. A. Street, Vice President, snaster of ceremonies; J. Lincoln Kiser, past president Marvin Music, member of the executive board; and Harold Trivett, Mreaks District Chrm. H. E. Greer, Honorary President, was Chairman of the Silver Beaver Committee.

Charles E. Hudson, Scout Executive from Knoxville, gave the principal address in which he showed the purposes and needs of Scouting along with statistical results of the movement in America—Scout trained boys had grown into the type of leadership which had caused America to remain free and move into the front position in many areas of activity.

President Fowler gave recognition and commendations to 135 Scouts, Scouters, Den Mothers, and parents who attended.

Byron F. Pennebaker, Scout Executive of the council, expressed appreciation to the total Scout family of volunteers along with his professional staff and office staff.

Officials Arrest 25 Over Weekend

State and county law enforcement officials had a fairly busy weekend arresting 25 and lodging them in Perry County jail Friday and Saturday nights.

A breakdown of the arrests shows 13 for drunkenness, three for Breach of Peace, three for No Operator's License, one on a capias charge, three for Driving While Under the Influence, one for hit and run and three for petit larceny.

Residents Sponsor Political Rally

The residents of Vico and surrounding area are sponsoring a political rally at the newly-named Pigman Field near Vico, Saturday night, May 15.

A loudspeaker and platform will be furnished and each candidate will be given five minutes to speak.

The purpose of the rally is to allow the residents of the area to hear the platform of each of the candidates.

Food Stamps Hit Record High Again

Food Stamp use continued to spread in Perry County during the month of April, as the number of families receiving them increased to 1,498, a jump of nine (9) over the March total for a new record.

These families include 8,050 individuals, compared to 7,942 individuals in March.

The total value of the stamps redeemed in local grocery stores during April was \$113,612, compared to \$110,830 in March. The families paid a total of \$62,414 for that amount of stamps.

At the state employment office on High Street, 306 new applications for jobs by people in Perry, Knott and Leslie counties increased the total number of active job applications to 2,865.

School Board Deadlocks On Caudill Replacement

The Perry County School Board voted unanimously to replace George Caudill as a member of the Board of Education at its regular monthly meeting held last Thursday night in the Perry County School Superintendent's office.

Caudill has filed for the office of Perry County Sheriff on the Democratic ticket subject to the May primary and is automatically removed from the school board.

Board member Dacker Combs nominated Bill Farler of Viper as a replacement with a yes vote coming from Paul Campbell but two no votes from J. R. Hurt and Hensley Sparks defeated the motion. Sparks nominated Britt Brashear, only to have him turned down on the votes of Campbell and Combs.

Hurt then asked that Jim Cornett be voted onto the board. Campbell and Combs would not agree.

Paul Campbell then put forth Wallace Cornett's name, but Cornett was not acceptable to Hurt and Sparks.

Hurt nominated Marion Brashear but again met the opposition of Campbell and Combs.

The meeting adjourned without agreement on a replacement for Caudill.

The State Attorney General's Office said there is a statute covering such vacancies. KRS 160.190 states that a local board can fill its own vacancies within a 90 period after the vacancy occurs.

If the vacant seat is not filled within the 90 day period, the state will name a successor within the next 30 day period.

In other action on the board, on recommendation of Rev. Allen Smyth of the Leatherwood Association for Retarded Children, voted to give support in seeking a special education unit from the state to help set up mental health centers for the Leatherwood area.

The Leatherwood Association is in the process of sending an application to Washington in hopes of receiving federal funds for a complete mental health center for the retarded.

At present there are eight children enrolled at the Leatherwood school under the guidance of two mothers of the community. The mothers each had a three week training post that her house had been hit by gunfire.

Two shots were fired into the Gwinn home, luckily no one was hit although the bullets came very close, according to Police.

Mr. Gwinn, the son of 6th District Constable Thornton Jake Gwinn, is employed by a Jackson Wholesale Firm and Mrs. Gwinn is a Perry County school teacher.

State Police say they are anticipating an arrest shortly. A state trooper in Knott County stopped a motorist near Hindman this morning for driving without an operator's license and found 100 cases of beer and two cases of whiskey in the vehicle. Willie Carroll of Martin was arrested and taken before a Knott County Magistrate and fined \$115.00 for transporting of alcoholic beverages in local option territory.

Bradley Colwell of Yerkes, an escapee from Central State Hospital in Danville, was picked up this afternoon by State Police and will be returned to the institution.

John Combs of Scuddy was shot twice in the back with a shotgun at Scuddy this morning. According to Police reports, Combs was not injured seriously. An investigation of the case continues.

Thurman Napier of R. R. 2 morning that he had taken a trip to Ohio with his parents over the weekend and when he returned he found that his and his father's houses had been broken into.

A shotgun is missing from the son's home while a shotgun and radio were taken from the father's home.

An investigation into this case is underway.

Author Harry Caudill Speaks At V.F.W. Banquet Saturday

Harry Caudill, noted Eastern Kentucky author, was the main speaker at the V.F.W. club in Hazard at the Veterans of Foreign Wars banquet held this past Saturday night.

Caudill, author of the famed book "Night Comes To The Cumberland," dealt on the untold resources of the Appalachian area and the factors event according to Rogers.

Only 38 registered for the event according to Rogers. "A lot of people thought this was for V.F.W. members only," Rogers said, "but these type meetings are open to the general public," he continued.

This meeting was the first of its kind held in Area C of the V.F.W. set up. The state is divided into three areas, A, B, and C.

It is hoped, according to Rogers, that this will be an annual event held in each area.

The local V.F.W. post has a membership for 1965 of 231, about 50 less than a year ago. About 50% of those in attendance this past weekend were local people.

Other noted dignitaries in attendance were: Lawrence Anderson, Department Commander for V.F.W.; Lloyd Lovell, former Department Commander; Homer Eversole, former Post Commander at Hazard; Baron Neal, 14th District Commander from Harlan; Bob Burchell, Senior Vice Commander from Manchester and Hazard Mayor Willie Dawahare, and Mrs. Dawahare.

State Police say they are anticipating an arrest shortly.

Postmasters Urge Use of ZIP Code

Hazard Postmaster Charles Cornett is in the process of putting into practice on the local level some suggestions made by his "boss", Postmaster General Gronouski, at a Postmasters' Convention at Kentucky Dam Village recently.

The main suggestions are to urge users of the mails to use the ZIP code regularly, and to encourage area post offices and rural box holders to beautify their mail facilities.

Mr. Cornett said that Gronouski reported that ZIP code use is the only way the post office department is going to be able to cope with the tremendous volume of mail in the future; expected to mount to 100 billion pieces a year by 1980.

In keeping with Gronouski's request, Mr. Cornett urges all local persons who use the mails to learn and use ZIP code numbers on all letters and par-

cel. Hazard's ZIP code number is 41701.

Mr. Cornett also said local outdoor mail boxes will be repainted and the front of the post office given a good cleaning, as part of the postal department's participation in the county cleanup campaign.

"We invite the local garden clubs to assist the post office in planting flowers and shrubbery to help beautify the post office grounds," he said.

He also requests rural box holders to make their own mail boxes as individually attractive as possible.

District Baseball Tourney Opens With Hazard vs. Leatherwood

The District Baseball Tournament got underway at M. C. Napier Field this morning with Hazard meeting Leatherwood in the opening contest.

This year's tourney is more for the title that has by-passed wide open than in past years. Irvin Smith is the veteran of the mound corps for Ed Wilson but Whitesburg, who battled Napier this afternoon, pulled a mild surprise by defeating Hazard 8-3 at Whitesburg last Friday afternoon at Whitesburg.

Hazard is the defending district champion but the road to another trophy for the Bulldogs could be a rocky one. The expected battle between Hazard and Leslie County in upper bracket semi-finals tomorrow afternoon should be one of the best in the tourney. Leslie has a veteran club with fire balling Mike Caudill as its top hurler.

Caudill is joined by Preston Fortney, Bruce Vance and Philip McReynolds as regulars from a year ago.

Hazard relies on the big bat of Chester Rose and the slick fielding of its scrappy infield.

Letcher County is another veteran club entered in the event. The Eagles have four men from their outfit of last year.

If Napier can post a win over Whitesburg then the Navajos could be in good shape to shoot for the title that has by-passed them for past few years. Irvin Smith is the veteran of the mound corps for Ed Wilson but John Brown, Jim McAlarnis and Bobby Dixon are dependable starters for the Redskins.

Dilce Combs has a good thrower in Sam Caudill but the Panthers had a lot against them in Letcher County.

Whitesburg comes to the tourney with a good backing from area coaches. The Yellowjackets have "a pretty good ball club," according to Napier head man Ed Wilson.

The semi-finals of the tourney are set for tomorrow afternoon at 1:15 and 3:30.

This year's winner will move on the Regional Diamond meet to be held in Middlesboro later this month.

TO THE VOTERS OF MAGISTERIAL DISTRICT No. 4

As some of you already know I am a candidate for the nomination for Magistrate. I shall have nothing unkind to say about anyone opposing me in this race. I expect to present my claim to this office in a friendly way. I have lived in this district all of my life, and I know the needs of our district, and if nominated and elected I will do all in my power to meet these needs. I will protect our schools, churches, public assemblies and give you such law enforcement as is necessary to proper development of our district and the enjoyment of a law abiding people. At the same time I will be pleasant and just. I will use my best efforts to provide as many benefits from the Federal Appalachian Program as possible. The Federal Government is going to spend a large sum of money and if we don't get any of it we will have to help pay for it just the same. If we do get some part of it we have gained that much because it will not cost us one cent in extra taxes. It is our privilege to choose one of the several candidates for this office. It is our duty to choose the candidate who will serve best all the people in a spirit of justice, kindness, and understanding.

As I have already stated I shall do all I can to secure as many roads as possible and keep the ones we now have in good repair so they can be traveled and used by our people.

My program is as follows:

1. All Federal Aid possible for the people of our district and Perry County.
2. Law enforcement with justice, tempered with mercy.
3. Roads that are needed and repair for those we now have.
4. Management of our affairs in such ways as to give the people a dollars worth of service for every tax dollar spent.
5. Economy in our fiscal affairs so as to save tax payers money and keep taxes as low as possible consistent with our needs.

I promise 4 years of sober, honest, faithful service.

Certificate of Meritorious Service Awarded 3 Telephone Employees

The LaCroix Certificate of Meritorious Service has been awarded to Three employees of General Telephone Company's Ashland District.

Miss Lula Collins, chief operator; Miss Phyllis Potter, service assistant, and Mrs. Aileen Morton, operator, received the award in recognition of their help in saving the lives of two Ashland women last November.

Named in honor of Morris Felton LaCroix, founder of the General System, the LaCroix Certificate of Meritorious Service is awarded only to employees who perform an act involving courage, humility, decisiveness, and a keen sense of responsibility.

The awards were presented by F. C. Rahdert, President of General Telephone Company of Kentucky, at an employee awards dinner in Ashland last week.

Just after 3:00 P.M., November 27, 1964, Mrs. Morton, an operator in the Ashland telephone exchange, received a call from Miss Opal Sexton, daughter of Mrs. Maris Sexton of Summit, Kentucky, who asked to be connected with King's Daughters' Hospital.

At the time of the call, Mrs. Sexton had been overcome by gas escaping from a furnace and her daughter was near collapse.

After being connected with the hospital, Miss Sexton had become so weak she could only make incoherent sounds.

Sensing that the call was not a prank and that the person calling was either ill or injured, Mrs. Morton referred the call to Miss Collins, the chief operator, and Miss Potter, the service assistant.

By persistent questioning, Miss Collins and Miss Potter

were able to obtain Miss Sexton's name and telephone number.

A check was made to verify the number as that of the person calling and the State Police were contacted.

When the State trooper arrived at the Sexton residence he found Mrs. Sexton unconscious on a couch and her daughter unconscious on the floor with the telephone near her.

The two women were rushed to the hospital by the police. The Sextons recovered within a few days.

Miss Sexton remembers saying only two things to the telephone operator—"I want an ambulance. Our house is in front of the Summit Baptist Church."

Mrs. Sexton said she felt that their being saved was a miracle of God, that they were used as instruments and that all of the people—the operators, the police, and everyone who helped were vital in saving their lives.

Sgt. James O. Cox, Ashland post commander of the Kentucky State Police, said that if prompt action had not been taken by the telephone personnel, both women probably would have died.

Night Fishing Continues Good At Kentucky Lakes; Blue Gill Best Bet

Night white bass fishing continues to dominate the fishing picture at Lake Cumberland; blue gill fishing is excellent at most impoundments, and crappie fishing is holding steady at Kentucky Lake, according to the Department of Fish and Wildlife Resources' fishing roundup. Following is a lake by lake summary

Guist Creek — Bluegill excellent by still fishing worms and fly fishing with wet flies. Barren Reservoir — Bluegill along shallow banks. Black bass fair to good by casting surface lures along shallow banks. Crappie on the slow side. Temperature 68, clear and stable.

Dewey Lake — Crappie best but on the small side, best lure minnows at three feet along shallow banks. Bass fishing slow. Temperature 75, clear to murky and stable.

Dale Hollow — Black bass best by casting surface and medium deep runners along shallow banks. Crappie fair on minnows at four feet along brushy banks. Temperature 68, clear and stable.

Nolin Reservoir — Crappie best by still fishing minnows over freetops and along deep banks at four to eight feet. Black bass fair by still fishing minnows along shallow banks. Temperature 72, clear and rising.

Rough River — Crappie best on minnows at four to eight feet along deep banks. Blacks fair by casting surface and medium deep runners. Average temperature 70, clear with some muddy water in Lees Ford area, and stable.

EUGENE JOHNSON

FOR

COUNTY JUDGE

Democrat Primary, May 25, 1965

TO THE VOTERS OF PERRY COUNTY:

I would like to introduce myself as one of your candidates for the office of Perry County Judge on the Democratic Ticket subject to the Primary Election May 25.

I am 36 years old, married and have one daughter, 10, and one son, 8. My wife is Lola June Johnson and we reside on Combs Road.

I am qualified by experience, education and traveling throughout our county. I own my own business, The Eugene Johnson Candy Company, which is very successful.

During recent months, Leslie County has received a \$26,000 federal grant for work in their county, and Letcher County was given a similar grant. If elected, I will work toward such a grant for Perry County.

I feel that roads are one of the biggest problems here in Perry County. If elected, I will work for better roads and for any other project which will help the people in our county.

I am qualified, capable and sober and I sincerely ask for your support in behalf of my candidacy.

—EUGENE JOHNSON

Wherever you fish for sport—on the ocean, by the booming surf, or on some quiet country pond, it's great at the end of the day to head for a rewarding glass of beer. While you're talking over the ones that got away, or pan-frying the ones that didn't, you enjoy the hearty taste and cool refreshment only a glass of beer can give you so well. Yes, whatever your sport—bowling or strolling, golfing or gardening—a frosty glass of beer makes a naturally great accompaniment.

Governor Names May As Red Cross Blood Donor Month

May is Red Cross Blood Donor Month in Kentucky.

Governor Edward T. Breathitt said in a proclamation that the American National Red Cross Blood Program, "established to provide through voluntary donations, a continuing blood service to meet civilian requirements for whole blood and blood products, provides approximately 50 per cent of all the whole blood collected in the United States."

There are 51 Red Cross chapters and 102 community, military and veterans hospitals in Kentucky participating in the Red Cross Blood Program. Breathitt said, through regional blood centers in Louisville, Huntington, W. Va. and Nashville, Tenn.

In the past year Red Cross regional centers provided 44,044 units of whole blood to patients of Kentucky hospitals without charge for the blood itself.

Trail Blazer, Campus Newspaper Names 1965-66 Co-Editors At MSC

Kenneth J. Strafer and Dolores Callahan have been named as the 1965-66 co-editors of the Trail Blazer, campus newspaper at Morehead State College.

Strafer, vice president of the Kentucky Intercollegiate Press Association, is a 20-year old junior from Hicksville, New York. He is a member of Mu Sigma Chi, Mystic Club, and the Morehead State College cross-country and track squad. He has served as the president of the Morehead Appalachian Volunteers.

Miss Callahan is taking an Area of Concentration in English and has worked on the Trail Blazer staff for the last two years as a reporter and as a co-news editor.

Three other staff positions have also been named on the paper for the 1965-66 school year. They are: sports editor, B. Pat O'Rourke, Falls Church, Va.; assistant sports editor, Herbert Sparrow, Eminence; and business manager, David Shire, Ashland.

Strafer has worked on the Trail Blazer staff for the last two years, serving as a reporter and as co-news editor. He

is a history major with minors in political science and biology.

Pioneer Descendant To Be Speaker At Beautification Conference

A former Kentuckian, who is a direct descendant of pioneer colonist John Rolfe and Indian princess Pocahontas, will be a featured speaker May 19 at the Kentucky Clean-Up and Beautification Conference.

James C. Bowling, a prominent director of the national "Keep America Beautiful" board, is to be introduced at the first-day banquet by Governor Edward T. Breathitt, presiding chairman. First of its kind in the state, the conference will take place May 19-20 at the Phoenix Hotel, Lexington.

Elected vice president-director of sales and corporate relations for Philip Morris, Inc., New York City, only five months ago, Bowling had previously been the company's public relations director and assistant to the president. In addition, since February 1960 he has been public relations chairman of the American Tobacco Institute, a committee representing all tobacco companies and their agencies.

Tobacco almost literally runs in Bowling's blood—John Rolfe, his grandfather many generations removed, was the first man in the American colonies to raise it. Colonel Robert Bowling, an aristocratic Virginian planter, in 1675 married a granddaughter of Rolfe and Pocahontas. The family later pioneered in the settlement of Kentucky.

Bowling attended public schools in Paducah, the University of Kentucky and, following military service, graduated from the University of Louisville, where he was elected "Mr. Thoroughbred" by his classmates.

It was in college that he got his start in the tobacco industry as campus representative for Philip Morris. His sales success caused the company to assign him to an executive group, with an appointment as a retail salesman upon graduation.

In 1952 he moved to the New York headquarters, where he worked in advertising sales promotion and as supervisor of

FAMILY BACKGROUND

1. This is my first race for political office in Perry County.
2. I was born at Krypton, Ky., and educated in Perry County, having gone to school at Big Creek and Buckhorn.
3. Cy Noble was my father who at one time ran for this very important office.
4. May Napier of Krypton, Ky., was my mother, daughter of "Lucinda Begley & Red Bob Napier."
5. Roy Edward Combs of Busy, Ky., is my husband. He is the grandson of "Rod McIntosh."
6. I am 36 years of age and have a daughter going to M. C. Napier High School, and help rear my husband's two children. I understand and appreciate the problems of our young people and the many difficult tasks they face in life.
7. I have 18 years experience at office work, having performed the tasks of bookkeeping, filing and typing.
8. Elbert Strong, was my uncle and served many of you as your County Attorney. C. A. Noble, Sr., also served the people of this County for many years, and his sons continue in the legal profession. One of which also served as your County Attorney.
9. My father worked many years for Sam Campbell in his magistrate's office, and I am sure you remember Dad or Cy when he worked for Sam Campbell.
10. If elected to this very important office my platform is simple.
1. Everyone regardless of politics is welcome to visit and make the Clerk's office a part of his government and he may change his registration at legal times without any advice or prompting since this is his privilege.
2. To the Attorneys or Lawyers of this area, as well as the people I promise to keep their deed books and mortgage books permanently indexed monthly to make their abstracting safe and easier.
3. I promise to get new index books for the leins books and re-index the books so that if anyone is running the name of Combs or any name they will be able to look under the C page or pages without jumping all over the book to find and abstract their title or research and thereby do away with unnecessary pitfalls.
4. Your records will be respected and protected during my tenure of office.
5. I do not desire a lifetime deed to this office and will only run one term, and will step aside and give some one else an opportunity to serve you people, since I merely want to be your custodian and humble servant.
6. I promise to keep your Clerk's Office open all day on each and every Saturday of the year since I realize that this is the only day of the week that many of our people have a chance to come to town to transact their business.
7. I plan to make myself or my chief deputy available at all times to serve the people.
8. I promise to not absent myself from the office for more than two weeks of the year.
9. I promise to personally observe and keep a firm control over all the tabulation sheets of all election in this County.
10. I promise to run an efficient office, and to buy equipment only with the approval of the Fiscal Court.
11. My staff will be experienced in serving the public and persons whom all of you know and respect.

I ask for your help and support in this Republican Primary Election, and I would love to be your Republican choice for the November Election since I feel that I can be a winner in November if nominated. I plan to visit each and every one of you before the primary election and if I should fail to see you it will be because you were gone when I made my visit.

Any consideration you can show me will be appreciated to the bottom of my heart.

Homecoming To Be Celebrated In Frankfort

A state-wide homecoming for all Kentuckians will be celebrated in Frankfort June 5 and 6.

Kentucky's 120 county judges will be honored guests. Each county judge will be invited to name a local queen candidate and a 1965 Kentucky Homecoming Queen will be selected from the candidates by lot.

The state celebration in the capital city will cap celebrations planned throughout the Commonwealth by more than 60 cities and communities.

"Frankfort is proud to fulfill its role as State Capital and a city of special meaning for all Kentuckians by hosting the state-wide homecoming," Frankfort Mayor Pete Flynn said. "We invite all Kentuckians—whether they now live in Frankfort, elsewhere in Kentucky, or in far flung parts of the nation to visit here then."

The celebration will include a parade, with marching high school and college bands and floats; a luncheon; the crowning of the Kentucky Homecoming Queen by Governor Edward T. Breathitt; street dancing on Capitol Avenue; a reception at the executive mansion for the county judges and other invited officials and dignitaries, and a Frankfort Jaycees - sponsored fine arts festival on the State Capitol grounds, with free entertainment and music.

VOT E FOR BERNICE M. COMBS

FOR SHERIFF

Republican Primary, May 25, 1965

FRIENDS AND NEIGHBORS OF PERRY COUNTY:

I am the first woman in the history of Perry County to seek the office of Sheriff. My husband, Charles E. Combs, your present Sheriff, can not succeed himself in this office; and because of this our many friends have encouraged me to run for this office. I feel that working in the Sheriff's office for the past three years has given me enough experience to serve you as your Sheriff.

Many people feel that making arrests is the only duty of the Sheriff; but this is just one of his duties, and he has his deputies at his command to do this for him. I have already had experience in directing the deputies in making arrests; for this has been my job for the past three years. We have two-way radios in the office and in our home and through their use we are in contact with our deputies at all times. But there are many other duties required of a Sheriff. He also collects the taxes for the State and County and disburses the money to the proper institutions for which it is designated.

The Sheriff serves all legal papers issued by the Judges and Clerks of the Counties. He makes routine checks of business places where soft drinks, ice cream and tobaccos are sold or any other place where the proprietor is required to purchase a license to operate. A Sheriff needs to be a person in whom one can confide, one who is sympathetic but firm; and one who is very understanding and able to treat people fairly and justly when executing the law. I feel that my life has made me this type of person.

I am one of twelve children, the daughter of Sam and Jane Gambill Moore, of Chavies now deceased. Being a member of such a large family I have learned to get along with all types of people. My parents were merchants at First Creek and Chavies for 60 years. I worked in their store when I was growing up.

I worked in the Post Office at Lothair as clerk for several years. I was Postmaster at Lothair for five years. For the past three years I have worked in the Sheriff's office along with my husband. I am a graduate of Buckhorn High School and Fugazzi Business College. I am a member of the First Baptist Church, Eastern Star, Perry County Business and Professional Women's Club, Perry County Homemakers and District Director of Kentucky Federation of Homemakers.

The Sheriff's office has been modernized since my husband has been in this office. We have installed two-way radios in all cars used by the sheriff and his deputies. Use of these radios enables us to serve the public more efficiently. We have bought uniforms and marked cars which lend dignity as well as identity to the Sheriff's office.

All these improvements did not cost the taxpayers anything but were paid for at the personal expense of the sheriff and will remain his personal property. There has been no "fee grabbing" because the deputies are paid a salary. We have tried to treat everyone with respect and to use diplomacy in carrying out the duties of the Sheriff's office.

It is with great pride that I seek the office of Sheriff of Perry County; and when nominated and elected, I promise you four more years of the same courteous and dignified service. THIS IS A CHANGING WORLD. Let us be realistic when these changes come. I stand for progress and a better and greater Perry County.

I wish to thank all of you for the interest you have already shown in my campaign and for anything you may do for me in the future. Your vote and influence will be greatly appreciated. Thank you.

DEMOCRATIC PRIMARY

As most of you probably know, I am a candidate for the nomination of County Court Clerk on the Democratic Ticket, subject to the May 25th Primary. For Years I have had a desire to serve the people of my home county in this capacity.

Having been a school teacher for seven years, and a bookkeeper for over 21 years, I am qualified to serve in this office.

I am the son of Matt Deaton, a retired railroad foreman, and Lillie May Deaton of Chavies, Ky.

I am married to Gretchen Noble Deaton, daughter of the late Solomon Noble and Mattie Deaton Noble of Haddix, Kentucky. We have 2 children, Earl, Jr., (PODY) presently serving in the Army overseas, and Phyllis Anne, a junior at Hazard High School. My family and I have lived the past 16 years at Tilford, Kentucky.

If nominated and elected to serve the people of Perry County in this important office I pledge the following:

1. To employ only qualified personnel to staff my office.
2. To give prompt efficient service to all regardless of your political affiliation, race, creed, or color.
3. To give my fullest cooperation to the Attorneys, the Purgation Board, the Fiscal Court, and all other government agencies in Perry County, so long as it shall be to the best interest of the people of Perry County.
4. To preserve, keep, and protect all the records of this office at all times.
5. To devote my full time to the operation of this office.

Any support you can give me will be greatly appreciated.

EARL M. DEATON
